Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the www.accessoryware.com and Accessory Software and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Accessory Software include www.accessoryware.com, Accessory Software, Accessory Mobile and www.accessorymobil.com. The Accessory Software website is a ecommerce site. By using the Accessory Software website, you consent to the data practices described in this statement.

Collection of your Personal Information
We do not collect personally identifiable information from our users. We may gather personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Accessory Software. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Accessory Software website.

Accessory Software encourages you to review the privacy statements of websites you choose to link to from Accessory Software so that you can understand how those websites collect, use and share your information. Accessory Software is not responsible for the privacy statements or other content on websites outside of the Accessory Software website.

Use of Cookies
The Accessory Software website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Accessory Software pages, or register with Accessory Software site or services, a cookie helps Accessory Software to recall your specific

information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Accessory Software website, the information you previously provided can be retrieved, so you can easily use the Accessory Software features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Accessory Software services or websites you visit.

Security of your Personal Information

Accessory Software secures your personal information from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Children Under Thirteen
Accessory Software does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

Opt-Out & Unsubscribe
We respect your privacy and give you an opportunity to opt-out of receiving announcements of certain information. Users may opt-out of receiving any or all communications from Accessory Software by contacting us here:
- Web page: accessoryware.com
- Email: support.accessoryware.com

Changes to this Statement
Accessory Software will occasionally update this Statement of Privacy to reflect company and customer feedback. Accessory Software encourages you to periodically review this

Statement to be informed of how Accessory Software is protecting your information.
